

## **Anointing of the Sick**

The anointing of the sick is administered to bring spiritual and even physical strength during an illness, especially near the time of death. It is most likely one of the last sacraments one will receive. A sacrament is an outward sign established by Jesus Christ to confer inward grace. In more basic terms, it is a rite that is performed to convey God's grace to the recipient, through the power of the Holy Spirit.

Anointing of the Sick is administered by an Archdiocesan Priest.
