## **PRESIDENT'S' MESSAGE**

*Penny Hickey, Camilla*

*Hynes*

May! What a blessing. Temperatures warming, flowers blooming and my winter clothes are very slowly being packed away. Well, you never know about the weather in Connecticut, always full of surprises. During May we celebrate Mother's Day, Memorial Day, our annual Communion Breakfast. We also dedicate the month to Mary, Mother to all.

We had a very successful April meeting. Thank you to *Mary Ellen Verrengia*, *Sheila Donahue*, and *Bev Scharper* for helping us decorate for the April meeting and a special thanks to *Bev* for the very interesting program on "Connecticut Women's Hall of Fame." Our next meeting is scheduled for May 6th.

*Penny* and *I* look forward to seeing you at the Communion Breakfast and the May meeting. God bless you all, and enjoy the beautiful gifts God has given us.

*Camilla Hynes, Co-president*

## May Blessing

Lord, we thank you for the month of May, when we are reminded of the magnificence of Your creation. The earth is covered in green, with splendid splashes of color, and we witness new life everywhere. The buds turning into leaves and flowers, animals bearing their young, and our own feeling of renewed energy and life.

Grant us a heart opened wide to all this beauty. Save us from being so blind that we pass unseeing the common thorn bush that is aflame with your glory. Help us to blossom to the fullness of life in You.

And Lord, may we feel the warmth of Your love for us and the light of Your goodness everywhere we look this beautiful month of May. Amen

*Penny Hickey, Co-president*

**HELP ELMWOOD BLOOM AGAIN**

---

We're helping Charlie Hilborn with his beautifying New Britain Ave. project with beautiful, colorful planters of which there were 58 last summer. This year Charlie would like to see more planters along the avenue. This project has been financially supported by local businesses and a few residents, and Charlie hopes to get their support again this year. In addition this year he is reaching out to residents and friends of Elmwood to help in purchasing more planters. If we could donate \$5, \$10, \$25, or whatever to a new planter, planters could be added to those already purchased by businesses.

If you are interested in helping out, checks should be made out to KNOX, Inc., and delivered during business hours or mailed to Sheehan-Hilborn-Breen Funeral Home, 1084 New Britain Ave., West Hartford 06110.

KNOX is working with the Elmwood Business Association, Charlie, and now with some other business associations in other sections of West Hartford. The KNOX Green Crew plants seeds in March and transfers the plants into 3-foot planters at the end of April, with delivery beginning in June, based upon the growing season.

**HELP ELMWOOD BLOOM AGAIN (Cont'd.)**

From Charlie, "It would be so wonderful to get the support of the community to help to really beautify our part of West Hartford, and thank you very much for your generosity to Help Elmwood Bloom Again!. Let's show everyone the Elmwood spirit.!!!"
